Ethan's Glen, while secluded in an undisturbed nook of Northern Wake County, is located just outside the bustle of one of the nation's most popular metropolitan areas. Easy access to NC 98, NC 50, and the new outer loop puts Raleigh, Durham, RTP, and RDU International Airport within minutes. After a busy day at work, shopping, or a return flight, enjoy your home nestled within the trees. The road less traveled runs through the heart of Ethan's Glen.
